Dear Mr Frame

Thank you for your email of 28 February 2011 regarding equal age of consent reform. The Honourable Paul Lucas MP, Deputy Premier and Attorney-General, Minister for Local Government and Special Minister of State has asked that I respond on his behalf.

The Deputy Premier and Attorney-General is aware of your commitment to this issue and is also alert to the fact that you have written in similar terms to previous Attorneys-General on this topic. As indicated in the previous responses to you, the Premier and Minister for Reconstruction has publicly stated that the Queensland Government has no plans to make policy amendments in this area.

Accordingly, this Government is not intending to progress any legislative reform on this issue at this time.

Thank you for once again raising your concerns with the Deputy Premier and Attorney-General.

Yours sincerely

*J. Collins*
